RINGS
AGAIN

DIGGING in to his pie is Randy Cervantez, who is competing for the Freshmen Class in the Homecoming activities.

MR. HERB SCOTT, a member of the school faculty, carefully devours his chocolate cream pie.

BEN TUTOR puts all his effort into the "Pie Eating Contest", which helps the seniors place first in this event.

LARRY LOPEZ, a junior, finds that he does not like banana cream pie as he watches the other contestants.

TRYING to figure out what happened a few minutes ago is Robert Agguire. Robert took part in the "Pie Eating Contest" event.

CONCENTRATING on a safe catch is Mr. Bill Batze, a staff member.

IN THE LEAD is Rick Merritt, following close behind is Jeff Todd, and bringing up the rear is Mr. Herb Scott.

GETTING on their mark, is Doug McCall, Mary Puente, Miss Virginia Diehl, and Rosemary Martinez. This is only one event in which the school competes.

SHOWING their strength, the Junior Class tug their way to a victory with faculty placing second, seniors third, and sophomores fourth in one of the main events during Homecoming.

LISA ROBERTSON, the newly announced Homecoming Queen, receives a hug from Kaye Pastor at the rally.

LEANNE CROWN and Nanette Mendoza work hard to finish the junior float by the deadline.

Activities Highlight Week Of Homecoming

ACTING out the song, "Run, Joey, Run", are rally squad members Merri Bristow, Kim Conn, and Katy Stornetta at the Homecoming Rally. This is only one of the events which took place on that day.

"GOT THE MATS ON A MERRY-GO-ROUND" is the theme the seniors chose for their float. Hours of hard work, making flowers, and tying string, reflects in this senior float.

DURING the Homecoming Rally, mascots, Rosemary Martinez and Della Ramos, perform a skit using a "ferociors" lion.

LAST MINUTE REPAIRS are seen here as Kent Evje and Rick Merritt hurriedly get the senior float together before the Homecoming Parade starts.

Varied Emotions
Show Differing Moods

LORI SEVERNS prepares to shake hands with her opponent. A singles player, she has been with the team for two years.

ERNEST GARCIA just couldn't stop for his picture as he pedals past for the race.

PATRICK YOUNG doesn't appear to be working too hard as he sits watching the students pass by.

CAUGHT by surprise in her Bicenennial outfit, Miss Nancy Doi blushes timidly.

RED, WHITE, AND BLUE DAY gave Debbie Rego, Lori Modrall, and Laurie McLendon a chance to show both spirit and their year of graduation.

HERB SCOTT pedals with all his might in the tricycle race. The faculty placed third.

SERVING the ball is Suzanne Moore. She has played on the tennis team for two years.

THREE-LEGGED RACES show competitive spirit with each trying to bring victory for their team. Faculty and students participated in this event.

JOE MORENO, # 28, and Stanley Nunn, # 33, are alertly anticipating the hike for the big game, which could come at any moment!

AFTER A HARD DAY cutting Christmas trees in the mountains, the Future Farmers of America gather around a warm camp fire to rest. The FFA made \$1,800 from the tree sales this year.

QUARTERBACK Mike Gonzales looks for one of his teammates to receive.

HECTOR MELGOZA takes a time out from the hassles of the Del Valle game.

WILLIE REYES takes a practice kick before the game.

Students, Staff Enjoy Homecoming Activities

ANXIOUS to play, Russell Strothers waits his turn in the Del Valle game.

RUNNINGBACK Tim Kent is able to break through the defensive line and gain some yardage.

EXHAUSTED from the last game, Ben Tutor catches up on his sleep while Jack Marlowe thinks his own thoughts.

JOE MORENO, # 28, receives a hand-off from Mike Gonzales, # 10. A few yards were gained with this play.

Boys, Girls Display
Varying Sports Skills

DURING THE Homecoming ceremonies, Christine Townsend proudly displays her flowers as well as the queen's bouquet of roses.

AND LET US not forget our five lovely Runner-Ups. Left to right: Katy Utterback, Faye Pastor, Rosemarie (Tweety) Billingsly, Lori Modrall, and Laurie McLendon.

KAYE PASTOR smiles at the camera during the crowning of the queen on the Ohmsted field.

A BEAUTIFUL October sunset foretells the coming events of the traditional Homecoming ceremonies.

LISA IS CAUGHT here by the camera as she glances out at the people in the stands.

LATER, Lisa takes a minute to sit and admire the armload of gifts she has received during the last hour.

LAURIE McLendon and Lori Modrall appear to be enjoying their ride around the track before the ceremony begins.

ACCEPTING roses from team captain Ben Tutor, Lisa now begins her reign on campus.

DEBBIE CELONI and Sandi DelBarba ride in the car driven by Arthur Jacobsen. Tonight is special for both.

Students Chose Homecoming Queen

OUR HOMECOMING QUEEN for the 1975-76 year, pictured above is Lisa Robertson. Her Court, CLOCKWISE FROM TOP, is Debbie Celoni, Sandi DelBarba, Kaye Pastor and Christine Townsend. These girls will always have a special moment to look back upon and remember during the years that lie ahead.

The beginning of a new adventure, the end of adolescence, we now look upon the paths opening into the future that awaits us all.

In 1972, nervous and reluctant freshmen scanned the corridors of Liberty Union High School and the Class of 1976 took their new place in the world of higher education. To lead the 367 wide-eyes and wondering were the brave Ben Tutor, president; David Broussard, vice president; Ruth Maiocco, secretary; Daniel Broussard, treasurer; Greg Robinson, representative; and Miss Reta Pirtle and Mr. Dennis Buckley, advisers.

The Class of 76 experienced their first scheduling of classes during the September "Merry-go-round" in which they had a very confusing time.

As Homecoming rolled around, the freshmen put all their know-how together to produce their third place float with the theme "Stomp the Mats". They also placed second in the bike race and fourth in the tug-o-war contest. Ruth Maiocco received the Most Spirited Awards for their freshmen class.

Busy in their kitchens and with water hoses, (although not always squirting cars) the freshmen made their profits from numerous bake sales and car washes.

These wide-eyed freshmen soon found themselves to be the most wide-mouthed sophomores that the campus of Liberty has ever seen. To prove our point, these once scared freshmen turned into sophomores who won every competition yell at all the rallies—well, all except one. Renee Vornhagen and Greg Wong became recipients of the Most Spirited Sophomores Award.

This class also moved up on the charts as they placed second in the float competition during their second Homecoming with the theme "Grind the Liver-more". To help with the organizing of this float and the various bake sales and car washes were Kathy Serna, president; Lisa Mune, vice president; Terri Tipton, secretary; Lori Modrall, treasurer; Julie DeSair, representative; and Miss Pirtle and Mr. Jerry Black (who replaced Mr. Buckley) as advisers.

On April 26, 1975, experiencing their first semi-formal dance with the theme "In the Still of the Night" the sophomores held their Sophomore Hop. To highlight the evening was the crowning of Greg Robinson and Sandy DelBarba as the King and Queen. The Princess runner-ups were Debbie Celoni, Ruth Maiocco, Faye Pastor, and Kaye Pastor, while the Prince runner-ups were David Hernandez, Bob DePiazza, Tony Berumen, and David Broussard. These unforgettable moments were filled with the sounds of "Madness".

To provide the guiding lines for the juniors, Sandy Pittman, president; Terri Tipton, vice president; Jennifer Beaver, secretary; Becky Rebeiro, treasurer were elected. Miss Pirtle and Mr. Black again aided them but this time through the years known as "Big Bad Juniors".

With long hours of making flowers, the juniors shot their way to second place with the theme "Take off to Victory". Homecoming proved to be successful as Lisa Mune and Rick Howard captured second place in the egg toss and Della Ramos ate her way to third in the "Pie Eating Contest". Because of their continuous help and spirit, Mari Puente and Ken Rogers received the Most Spirited Award for juniors of their class.

On the eve of April 5, 1975, the juniors all met together to form their Junior Prom with the theme "Memories". They danced to the sounds of "Get Ready". Again this marked one of those unforgettable times that filled their lives while in attendance at Liberty.

As the Summer of '75 passed, the juniors soon found themselves to be the "Mighty, Mighty, Seniors". Through all the knowledge and experience of age gained in their years here at Liberty, they tied for first for the Homecoming Trophy. The points were won by devoted seniors who spent all hours making and putting up posters, saving pennies, and winning events such as the "Pie Eating Contest". The all faithful Leslie Roma and Rick Mello were the last of their class to receive the Most Spirited Awards.

The seniors chose April 24, 1976, at Boundary Oaks as their date and location for that one last dance together. They were served Top Sirloin Steak and danced the night away to the sound of "Elements Precise". Many seniors were filled with joy as they realized "Our Day Has Come"; others felt only sadness.

The seniors next went to Great America in Santa Clara on their GRAD Night. For their senior picnic they went to Oak Park in Stockton where they ice skated, played tennis, baseball, swam—and most of all—ate.

We should give thanks to Laurie McLendon, president; Debbie Rego, vice president; Lauri Bausch, secretary; Julie Conway, treasurer; Miss Pirtle and Mr. Black, advisers; for making all the necessary arrangements for these senior activities.

On June 11, 1976, the 262 graduating seniors walked down the track of life, the Ohmstede Field, together for the last time of their lives. But as the "LIBERTY BELL RINGS AGAIN" they will carry a vibration of that bell with them forever.

The future senior class, the juniors, were involved in numerous bake sales, candy sales, and car washes. Leading their class to this success were officers: Deana Harris, president; Debbie Cottrel, vice president; Suzanne Moore, secretary; and Brian Lyons, treasurer. Dances sponsored by the juniors included the Homecoming Dance and the Turn-a-bout.

An unusual event this year was the combination of the Junior Prom and the Sophomore Hop into one dance. Both the junior and sophomore classes worked together to make this one of the most unforgettable of all the dances.

Sophomore class officers included: Dana McCampbell, president; Christina Bacchini, vice president; Erica Jensen, treasurer; Jeanette Amar, secretary. These officers worked right through the summer with their classmates to raise money by running the dart throwing booth during the 4th of July carnival and also held a car wash.

The freshmen started the year by electing officers: Anna Juarez, president; Debbie Sapp, vice president; Yvonne St. John, treasurer; and Gina Combs, secretary. This class proved to be very spirited and won the Spirit Flag three consecutive times. Not only did this class show spirit but also creatively in money-making activities: they raffled off a large five foot sandwich! That just goes to show you what a little brain power will do.

In the future when we, as adults, will look back upon our brief passing through Liberty we will always remember the bombardment of the staff room with snow balls from a freak snow storm, the stink bomb that somehow found its way into Mr. Springer's classroom, the girls' locker room filling with smoke from the newly established smoking area which then had to be moved (the smoking area, that is), and flaming garbage cans; all this and much more will be left resounding through the corridors as the Class of 1976 makes its way forward to the theme of "Liberty Bell Rings Again."

"WHAT'S A MATADOR" is the theme of the Junior Class Homecoming float. Despite the efforts of many of the members of the Junior Class and their advisers the float did not place in the annual competition. Before actual construction of the chicken-wire model starts, the class spent long hours making flowers from napkins donated and bought from local merchants. This year the float building site was moved to Oakley.

The 1975-76 sports season proved to be one which the school can be well proud of. Venturing into our second year in the Foothill Athletic League showed to be more rewarding than the first year. The varsity football team, sincere, dedicated, loyal, and determined group of young men coached by Jack Ferrill, never lost belief in themselves and their teammates when faced with some of the discouragingly close losses that could have given them a winning season. From a win and loss point of view, 4-6, their record was not successful, but as players and men they were very successful. This year marks the end of the coaching career at LUHS for Coach Ferrill, who will always be remembered for his dedication and help to football. A 6-4 record for the junior varsity football team was an exceptional record due to the fact that no one weighed over 170 pounds. Leading the team were the three most valuable players; Joe Moreno, Stan Nunn, and Barry Schwitters, who between themselves played a total of 13 positions throughout the season. The frosh football team ended with a record of 4 wins, 1 loss, and 3 ties. The Lion Cubs were led by the play-calling and passing of quarterback Craig Chavez. Running backs Albert Ragonton and Randy Brunt led the fierce Lion ground game, which helped the team average of 265 yards to the opponents 145 yards in total offense.

Due to maturity of the players and transfer students, the varsity soccer team climbed the ladder from last place in the standings of last year to second place this year. In the F.A.L., Miguel Pulido was awarded best goalie and Roberto Amigo best defensive player.

Experiencing their biggest turnout in 8 years, the cross country team ran many dusty, windy, and rainy miles. Bret Hazen, who finished fifth at the league meet, was awarded most valuable, while Monte McKinney was chosen team captain by the members of the cross country team.

With a 6-4 record, the varsity volleyball team placed fourth in the G.F.A.L. The team was led by team captains Jan Martin and Tweety Billingsley. Julie Schwitters and Jeanette Carter received the Most Valuable Player Award and Most Improved Award, respectively. Stepping even higher in the league was the JV volleyball team who came in second. Rookie of the Year Award went to Shelley Poerio, Most Improved Award to Cheryl Drake, and Most Outstanding went to Roslyn Rodriguez.

Having an excellent season, the gymnastic team won their first two dual league meets by beating Alhambra and Piedmont. Helene Dawson, Liberty's outstanding gymnast at the league meet, won first place in the novice floor exercise.

In spite of few wins against the strongly competitive girls in the F.A.L., the players of the girls tennis team enjoyed a successful season and increased their game skills considerably.

After three years of absence, the girls basketball team has revived again due to the help of Coach Fred Valverde. The team was led off by Captain Marilyn Sanabria, while Jan Martin led the team with 136 rebounds and 86 points for the season. Proving that the skills had not been lost during the three years of rest, the JV girls basketball team came off the bench undefeated all season, 15-0. The team was led by Roslyn Rodriguez and Shelley Poerio.

BOARD OF TRUSTEES MEMBERS, Mr. John Bloomfield, Mr. Leonard Celoni, and Mr. Joe Smith are served by Margie Kidwell at the Honors Dessert.

RENEE VORNHAGEN and Wanda Howard walk out to line up with the other members of their class to start the graduation march at the beginning of the ceremonies.

MR. LOU BRONZAN, principal of Liberty Union High School, speaks of the Class of '76's outstanding points.

Graduation Ceremonies Held For Class Of '76

MEMBERS of the Class of '76 ensemble for the last time before they receive their diplomas and each go their separate way.

DIANA AMBROSINO gives her speech in which the past experiences of the class are remembered and the future experiences are to be faced.

MORGAN ST. JOHN takes out a few moments before the graduation ceremonies begin to reflect upon her past years and memories at Liberty High.

MARVIN BACIGALUPI gets a little help from Morgan St. John before the ceremony. The Bicentennial class not only took this time to get ready but to reminisce the past and face the future.

MISS PIRTLE, the graduating class of 76's advisor, stops to talk about the past years of school here at Liberty with a few of her former class members before they meet for the last time to have their graduating ceremonies.

UNITED for the last time as a whole is the graduating class of '76. They will be missed by their lower classmen and curriculum who wish them the best of luck as they leave the security of the past.

1975-1976 has been a sounding-board for many new ideas, one of these being the Physical Education issue. Independent P.E. was offered for the first time to those students participating in an after school sport. The State of California ruled that physical education was no longer mandatory for juniors and seniors and the administrative board along with the coaching staff reviewed the pros and cons to decide on whether this ruling would have any effect here at Liberty. At first the credit system was revised. Then later, it was passed that starting the fall semester students would only be required to enroll in P.E. during their first three years of high school and that thirty credits must be earned in this time. Seniors would then be allowed to substitute another class in place of P.E. Reactions from the students concerning this move were gained through polls and a P.E. Committee comprised of approximately twenty students. Many favored it; others preferred physical education.

Another change has been in that of class scheduling. Instead of Liberty's customary 1-7 periods, there was an addition of an "A" period beginning at 7:37 in the morning. Two classes took advantage of this early period: ROP Auto and Annual Staff, taught by Mr. Doug Kirk and Mr. William Batze respectively. This gave students a chance to enroll in subjects that their schedules would not ordinarily allow.

The ROP meat program was a new course offering this year.

LEA was honored with a fine list of officers: Mr. Dennis Buckley, president, Miss Kaye Axelgard, vice-president, Mr. Harold Child, secretary, and Mr. Roy Krumland, treasurer. This committee spent much time reviewing collective bargaining because of SB 160; the Board of Trustees did the same.

Mr. Philip Devine directed a number of very successful plays this year. These include: "Bye, Bye Birdie", "A Funny Thing Happened on the Way to the Forum", (ordinarily the actors were students, but in the last mentioned play the entire cast was made up of staff personnel), "Charlie's Aunt", and "Oliver".

Mrs. Billie Fortner was the first staff member to become a Thespian.

The Turkey award was taken by Mrs. Evelyn Griffith for missing a curtain call and the Trooper award was given to Mr. John Meyers.

The Performing Arts gained a dimmer board, funded by the class of 1971, the student council, and the Play makers. Much emphasis was put on the lighting facilities and many improvements were made with two added spots, two area lights, and a light bar. Performances are now played in style.

Much commotion was caused by the installation of a sink in Mr. Philip Devine's room. "It looked like World War I," he said.

The AG Farm received a new large Green House for the horticulture class.

A new Arts and Crafts Department was formed which was previously coupled with the Performing Arts and is now a division of its own. This year Arts and Crafts' creativeness placed Best of Show over all divisions in the Contra Costa Fair (In the last eleven years it has consistently placed first in High School Art.) and was also awarded the Best of Show competing against adult artists, a title that few highschools are able to brag about. The new department is comprised of Mr. Louis Racke, Mr. John Meyer, Mr. James Nabas, and headed by Mr. William Peters.

Mr. Philip Devine and Mr. Steve Brunsvold, teachers of the American Experience Class, have been retained by the San Francisco Unified School District as consultants. Part of their job as such will be to exchange information regarding the development and teaching of this class.

Mr. Laurance Welch started a new motorcycle training program for those students over sixteen years of age who are interested in learning basic motorcycle skills. He was able to find a sponsor who supplied six motorcycles and the course has been reported as successful this year.

Under the direction of Mr. Oliver Bascom a new English program for sophomores was started that resembles an over-all composition class. At times all the English classes offered during corresponding periods were combined and taught through the mutual efforts of Mr. Richard Hackett, Mr. Robert Russell, and Mr. Oliver Bascom as one large class.

Mr. James Plato was hired to the agriculture department to replace Lynn Harmonson.

Mr. Ernest Albertson was added to the staff to teach English and Business courses.

The Social Studies department gained Mr. Joe Ortega and Mr. Joe Tovar.

Mr. Jean-Paul Bosque-Oliva is our new English, Spanish, and French instructor.

Mrs. June Drake stopped working at the Oakley school to devote more of her time at Liberty.

Mr. Vernon Noble has made an effort to work closer with the students.

Mr. Frank Valverde became the girls' Basketball coach.

Mr. Allan Jones took the Stage Band to Reno and began a Brentwood Community Recreational Band.

In the Homecoming activities in October, the faculty tied for first with the seniors. Hurrah!

C and I (Curriculum and Instruction), a committee established to look at the overall high school to see if it meets the need of the students and to suggest changes in innovations, was headed by Mr. Dewel Morgan.

Mr. Eleanor Madrigal is a new addition in the attendance office. She works as a bi-lingual secretary.

In the attendance office tardy slips were done away with, in the counseling section report cards were redesigned, and there was a revision of data processing of materials.

In the coaching staff we saw a new line-up: Coach Jerry Black became the varsity baseball coach due to the resignation of Coach Robert Glenn last year, followed by coach Joe Ortega as the junior varsity and Coach Joe Tovar as frosh.

Another change was that of the reorganization to the approach to special education. Mr. Dewel Morgan, resource specialist, began with fifteen other schools in the county working in a pilot program to develop a master plan for special education. Six differing areas in California carry this on. At the end of the high school period, counselors meet to discuss senior progress based on these plans.

Also a work shop was started for admissions to college, tech schools, and community colleges. Based on their Cal Guidance scores, juniors considered the field most appropriate for them and listened to speakers of various professions talk about their work. This gave juniors a series of 5-6 units to look at future careers that interested them, and came to be called Careers Day.

AFS Helps Student Exchange Program

SITTING DOWN to discuss Annual Staff issues are Mr. William Batze, adviser, Kim Griggs and Debbie Henry, Assistant Editors. Debbie seems to be caught by surprise by what Mr. Batze says.

KATHY SERNA, Sports Editor and Photographer, is a little camera shy as she is caught by the camera.

PHOTO EDITOR, Melrina Maggiora sits in a comfortable position as she sorts negatives.

It takes not one, but many people working together to produce any successful project. If it had not been for the efforts and spirited teamwork afforded by our 1976 LION staff, this book would have never been completed. We would also like to thank Mr. Dave Cowan for his fine photography work and Mr. Bill Stephenson for all his help. One cannot imagine the joy of having so many people, each with differing ideas, all working towards the same goal. This yearbook, the outcome of our work, we hope to be the best yet. Each of us learned new responsibilities as we began and finished our respective tasks.

We, as co-Editors, sincerely hope that all future editors will find as much enjoyment in their responsibilities, through which they must always remember that no matter what may befall them, they will undoubtedly reach their goals if they meet each challenge with determination, and most of all, have the type of people aiding them that supported us. Thank you all.

Co-Editors-in-chief

ADVISER, Mr. William Batze, attempts to rearrange his room after an Annual Staff prank.

VIEWING HER TASKS for the day during the newly established "A" period, is Anne Brooks, Ad's Assistant.

CAUGHT BY surprise while working on pages is Debbie Young. She is Senior Class Editor.

LEFT TO RIGHT: Diana Ambrosino, Debra Maggiora, Mr. William Batze, Marilyn Sanabria, Anne Brooks, Debbie Celoni, Melrina Maggiora, Flora Selga, Rosemary Martinez, Julie Schwitters, Patty Ambrosino, Judi Bristow, Kae Erickson, Ross Smith, Jannel Stolhand, Theresa Tilman, Denise Tooley, Debbie Henry, Kim Griggs, Debbie Young, and Valerie Bilbo.

Through the organization of the '76 LION Yearbook came the task of choosing the appropriate cover. In our Bicentennial year we decided on a cover that would express this year and our theme "Liberty Bell Rings Again" to its advantage. The picture of the Liberty Bell within a star on the front cover sums this up perfectly. Venturing into more Bicentennial effects, we choose the picture of Betsy Ross and our great American flag as adornments for our end sheets. The red cover and the blue spot color adds to the Red-White-and-Blue theme which seemed to finish both our country's great birthday and our school year.

Then to help cut costs and become a little more independent, two of our staff members took on the responsibility of developing pictures in our newly established darkroom.

The excitement and adventure of making this new book, experimenting with new ideas, and learning to overcome small obstacles will make this one year that as co-Editors we will never forget and we hope that it will hold a memory for you as the "Liberty Bell Rings Again."

VALERIE BILBO, Layout Editor, and Debbie Henry, Assistant Editor, work busily to meet their deadlines, as Kim Griggs, Assistant Editor, eyes the clock anxiously in hopes for the clock to click so the bell will ring.

DEBRA MAGGIORA and Lori Modrall, Co-Editors, discuss their pages.

STEVEN

Steve, you're a person who's full of grace;
You always have that great big smile on your face.
Your love for them was oh so strong;
They know that you loved them all along.
Your friendship meant a lot to us.
We loved you without a fuss.
Steve, help us all go on and on,
For now we know you're really gone.
They'll love you till their dying day;
But Steve, your love must always stay.
We'll keep you deep down in our hearts
As in your eyes is only the start.
You never gave up in whatever you did.
You were always behaving just like a big kid.
God bless your soul and rest in peace;
But, Steve, remember your love is here for keeps.
We watched you grow from year to year,
But now you're gone. So now she stands all alone,
For you are there and she is here.
We all will miss you so very much;
But, Steve, promise, oh promise, that forevermore
You'll keep in touch.
